day 4, they go out and _____ it up

but day 5, he looks up and he sees the _____ dive,

her movements, smooth as spilling _____

in _____, she makes her way from one end to the other

he wants to _____ but just then does not dare.

in _____, he looks again to see the _____ dive

her movements, smooth like _____

in _____, she makes her way from one end to the other

he wants to _____ but just then does not dare.

he wants to _____ but just then does not dare.

the deep end, the deep end, the deep end, the deep end, the deep end.

How does the character telling the story describe himself? Why do you think he uses those words?

Work in a group to retell the character's story in your own words.

What would you do if you were in this situation?
