Finally, please specify two specific skills that you plan on working on for the next two weeks. For example:

- *I plan on improving my listening by listening to English podcast MP3s on my MP3 player.*
- *I also plan on reviewing the rules for countable and uncountable nouns, and trying to focus on this grammar issue during class, studies, or otherwise.*

Please write your own comments below, and (if necessary) on the back of this form. Make a copy of this form (both sides if you wrote on the back) for your own records and in case the original gets lost. You will hand in this form at the beginning of our next class after exams. Thank you!
