

Conversation Self Evaluation – Final Exam **NAME :**

Please circle the correct class: (Day) / (Night)

Please give yourself a grade for each of the following characteristics or skills. Remember to be honest and fair, and evaluate the EXAM, not your general traits:

I was an active conversationalist in our class: ____ /10

I was creative in my approach to starting conversations: ____ /5

I was a good, careful listener and understood a lot of what I heard: ____ /5

I was able to make conversations interesting: : ____ /10

I could steer the conversation where I wanted to go: ____ /5

I was a thoughtful speaker of English, and caught my own mistakes: ____ /5

My speaking was clear and easy for my classmates and teacher to understand: ____ /5

I was confident when speaking in English: : ____ /5

Please write answers for the following questions:

1. What are three things you have improved about your English speaking and listening this semester?

2. What are three things you want to improve about your English speaking and listening in the future?

3. How will you achieve these goals? (ie. What's your plan?)

Please write (on the back of this paper) any notes or suggestions you might have about the class, ideas, comments, or concerns, or anything else you would like to communicate to me!

Good luck this summer, and with all your other exams and endeavours!
