

GOOSE DAD -- PROLOGUE

SCENE 1: AIRPORT COFFEESHOP

1. (Close up)

*Two big coffee mugs, round, white, with a (fake) logo on side. The coffee is decorated with latte-art -- Hearts -- and the cups are somewhat far apart.*

2. (Close up)

*A hand wearing a wedding band stirs one cup of coffee with a plastic stir stick, destroying the latte-art hearts.*

3. (Waist shot)

*View from over the mom's shoulder. (Can't see Dad clearly, maybe from neck down.) Mom lifts up the coffee to have a sip.*

4. (Waist shot)

*Mom hesitates, and instead of drinking her coffee she turns her head to look sideways.*

5. (Head/Waist?)

*Profile of Mom's face, looking sideways out of the coffeeshop.*

MOM: Why don't you come and sit with your dad?

6. (Waist)

*Kids look annoyed, glancing up from what they were doing. Hara (older girl, age 12) is texting, Min (younger boy, age 9) is playing a game on his Gameboy.*
